The people that work here are so nice! The delivery is seriously so awesome.	Craving Indian food and thought I'd finally try this. My friend and I ordered a paneer dosa and ground lamb along with mango lassi and gulab jamun. Loved it! .	Hands down best loaded fries I've had in a while. If your looking for good bar food and drinks don't forget to stop here..	It's in a convenient option. If you like minimal human interaction you can order with the touch screen things.
